News Items

The draw at the Society meeting will be for an Avometer model 7, a valuable and most useful item so be sure to buy plenty of tickets - someone has to win!

Metal cabinets offered at the last meeting appeared to be a popular item and we are pleased to say that a further supply is now available for anyone interested.

Forthcoming Events

It appears from a census of opinion that DF events are as popular as ever and it has therefore been decided to book the following dates provisionally, further details later.
