News in Brief

The treasurer reports that the finances of the Society will be held at their present level and that no method of increasing the income will be made.

It is hoped to hold another junk sale next year.

It was suggested at the last Committee Meeting that the Society should hold a social evening at the end of this year. It could either take the form of a dinner/dance or a show in London. Please fill in the form at the foot of this newsletter if you are interested and hand it to any Committee Member at the November meeting.

D.F. News

Sunday 5th October turned out to be a warm and sunny afternoon and encouraged eleven D.F. hunters to put on their deer-stalkers, arm themselves with ferrite rods and go 'on safari' in search of G3EDM/P. It turned out to be a long walk for the hunters. The approach to the site was from three directions, two of which called for a walk of about a mile and the other about a half a mile.

Geoff Mills G3EDM was carefully hidden alongside public footpath 164, between Billericay and Ramsden Heath at location 702941. First in was G3WMM at 15:03 hours, with G3KPJ second 15:15 hours closely followed by G3PMX at 15:16 hours. G3OZF was fourth at 15:56 hours, G3UOZ, fifth at 16:00 hours, G5IX sixth at 16:22 hours and G3PDK seventh, 16:30 hours. Other starters were G3XQA, G3RNL, G3BGO and Paddy Maris.

Following an encouraging turnout at the last hunt, the committee have decided to hold another on Sunday 9th, November, starting at 14:00 hrs at Galleywood. The hidden station G3WMM/P If this hunt is successful, there will be another on Sunday 23rd, November. More information at the November Meeting.
