

CHELMSFORD AMATEUR RADIO SOCIETY

Newsletter No. 62

March 1971

Meetings

The next Club meeting of the Society will take place on Tuesday, 2nd March 1971 at the Marconi College, Arbour Lane, Chelmsford, commencing at 1930 BST.

Mr. F.C. Jackson, from what we colloquially call the Meteorological Office, will deliver a lecture entitled 'Weather Forecasting'. This promises to be a most informative lecture for those interested in the weather, and for those interested in metre-wave propagation.

The next meeting of the Committee will take place on Wednesday, 17th, March 1971 in the saloon bar of the "Wheatsheaf", New Street, Chelmsford, commencing at 1930.

Raffle

QRA Locator Map, Miniature Soldering Iron. etc.

D.F. News

Editorial

Home Constructed Equipment - The Committee has accepted a proposal that a competition should be held annually of such equipment. Decisions concerning prizes, the number of classes, etc. have not yet to be resolved. However, for those of you with tinned irons at the ready, you will wish to know that the first competition will be judged in May 1972 and annually thereafter.

HF NFD - A first meeting of interested parties has been held, further details will be published as and when they are finalised.

Cont/.....

Crystals - You may be interested to know that the Society has acquired a number of crystals of various types and frequencies. These are available for sale to members at the price of 20p each. Naturally it might not be possible to supply the crystal that you require - but why not try the crystal custodian! (Tom Carter, G3VCF). An application form is printed at the end of the Newsletter for your use.
