D.F. News

The first local event of the year run by the Society will take place as follows:

Date	-	18th, April
Location	-	Galleywood Common
Time	-	1400 BST
Station	-	G3KPJ

Please note that there will be no entrance fees or prizes for local events run by the Society. The decision will not effect in any way the Mid-Essex Trophy event which is a prestige one held between local clubs.

Rules for the 1971 events will be the same as previous years, to limit our printing cos's we are not recirculating copies of the General Rules with this newsletter, however, any members requiring this information can procure a copy from the Chairman at the monthly meeting.

Editorial

Home Constructed Equipment - you may be interested to know that the Committee has agreed that three prizes, £5, £3 and £2 shall be made available.

Cont/.....

High Power HF NFD - The Committee was requested to consider giving its support to this event, as shown in Radio Communication March 1971. The item was discussed and it was agreed that an entry under the aegis of the Society would be acceptable in principle. The matter will be discussed at the next HF NFD Committee Meeting. It should perhaps be mentioned that the implied caution merely reflects the more onerous and demanding conditions set by this event compared with those of the low power event, especially as it so closely follows that event.

MEETINGS - for various reasons members cannot always arrange to arrive at a meeting prior to its commencement. Through no fault of their own, late arrivals invariably tend to detract from the general enjoyment of a lecture, etc. It has been suggested that one way to alleviate this problem would be to leave the last row of chairs in the lecture room vacant for late arrivals - how about it!
