

### Club Meetings

The next meeting of the Society will take place on Tuesday, 6th June at the Marconi College, Arbour Lane, Chelmsford, commencing at 19:30. Jim Evans and Bill Pechey will deliver a lecture entitled:-

A Binary Approach to Amateur Radio - or  
Arithmetic for Two Fingereed Amateurs - or  
Simple Practical Digital Circuits.

Your attention is drawn to the fact that integrated circuits will be on sale at the meeting.

### Committee Meeting

The next Committee Meeting will take place on Wednesday, 14th June in the saloon bar of the "Wheatsheaf", New Street, Chelmsford, commencing at 19:30.

### Raffle

Tocls, books and surprise packets of IC's.

### DF Results

Six teams turned out for the DF event on the 14th May and although there was some difficulty in hearing the hidden station from Galleywood all uars were off in good time.

The hidden station, operated by Mike Hawkins G3WMM, was located on the dis-used railway track near Rayne station. The first competitor to arrive was Ian Butson at 2.58, followed by Don Beattie G30ZF anf Frank Piper G3BGO.

A national qualifying event will be run by the Society on 11th June, please see Newsletter number 76 and the May issue of the Radio Communication for full details.

### Editorial

HF Low Power NFD - This event will be held between 1700 GMT Saturday, 3rd June and 1700 GMT Sunday 4th June. You may wish to know that the Society will enter a single station operating on all HF bands using modified KW 2000's and a selection of aerials including a three element beam for 10,15 and 20 metres. The site will be as last year, that is Danbury Park, and can most conveniently be approached via the management centre entrance on the A 414.

The Club and NFD Committee wish it to be known that NFD is a competitive event and whilst the main object of our entering is to win, it should not be forgotten that NFD is traditionally something of a social occasion. You and your YL, XYL, etc. are cordially invited to visit the site during the period of the event except between the hours of 2200 and 0900 (clock time) on the 3rd and 4th June respectively. It is a condition of leasing the site that only pre-named individuals are on site during this time. All operators and other station personnel requiring meals are requested to bring their own cutlery. This is the only item that cannot be supplied.

Change of Address - Would you kindly note that the Editor's address has changed to that shown, the telephone number remains the same as before. If you should change your address, please advise Ken Dews, the treasurer.

Construction Competition - The judges wish to thank entrants for their work and will "deliver their verdict" when all entries have been viewed.

Anglian Mobile Rally - will be held at the Suffolk Show Ground, Bucklesham Road, Ipswich on the 18th June, This is a first class rally well worth a visit. If you require further details please contact a member of the Club Committee.

FOR SALE - Printed circuit boards for 10.7 MHz I.F. Amplifier as described in Radio Communication, November 1971, page 756.

60p each.
