News Summary

Two groups of club members activated equipment last weekend, 20-21 October from two separated sites in the Chelmsford area to help two Scout Groups taking part in their Annual Jamboree on the Air. Activity was high and a good time was had by all the participants.

Editors Note

Your new Hon: Editor will be pleased to receive items of news from the secretaries of other Essex Clubs to include in our newsletter for the general interest of members. These items should be lodged with me not later than the date of next committee meeting for inclusion in the Newsletter.

D.F. News

The results of the hunt held on Sunday, 14th October were as follows:-

- 1) Arthur G3KPJ
- 2) Tony G51X
- 3) Frank G3BGO

The hidden station for the last event of the season was operated by Geoff. G3EDM who bedeviled the hunters with a "T" shaped antenna, which produced a conflicting radiation pattern. Frank who reached the area of the hidden station within a hour had problems and I am sorry to say was last.
