

JULY, 1977

Next Meeting

The July meeting is the annual constructors competition and will take place on Tuesday July 5th at the Marconi College, Arbour Lane, Chelmsford. Entrants should be prepared to speak for a few minutes extolling the virtues of their masterpiece. It will help the judges if a label is attached to each piece of gear giving a brief description of its functions. The judges will be Tony, G5IX Jerry, G2KV: and Ron, G4VF and their decision is final. Prizes of value £5, £3 and £2 will be awarded (assuming at least three entries).

RSGB National Mobile Rally, Woburn August, 7th

The club will run a coach trip to Woburn if there is sufficient interest but this time a deposit is necessary. Please give your name to Les together with a pound note. The money will be refunded if there are insufficient people to fill the coach.

If required a coach will also be run to the Leicester exhibition later in the year. Names also to Les.

Committee Meeting

Wednesday July 13th Wheatsheaf 7:30pm.

Crystals

As mentioned in the last issue John, G8DET is handling the club stock of crystals and he points out that he has boxes full of crystals all on the same frequency which are very suitable for crystal ladder filters. Perhaps you could negotiate a discount for quantity.

If any other members have stocks of club crystals please tell John so he can form a better picture of the stock position.

Last Months Meeting

Special thanks go to Keith, G3WSN who stood in at very short notice when Peter Waters felt unable to turn up. Keith, gave two short talks, one on Auroral effects and one on TVI.

NFD

Field day was quite an event this year with rain, three foot high wet grass and lots of other niggling problems. We didn't do so well as last year but a good time was had by all except those two who caught colds.

DF

This month's hunt will be held on Sunday June 26th starting at Galleywood Common behind the church at 2pm. The hidden station will be Fred, G3PEV.

Last month's event was won by Colin, G3VKQ who succeeded in finding the station quickly and fooling half of the remaining contestants.
