Direction Finding

This month the club is sponsoring two DF events; a local one on April 2nd and the first qualifying round for the National Championship on Sunday April 23rd. Please try to come along, especially to the National, and help CARS to show the flag. The start for the National is at NGR 661143 which is very close to "The White Horse" at Pleshey; be there at 1pm for the start at 1:20. The battle will be fought entirely on Map 167, Chelmsford and Harlow. If you wish to take part in the event and especially if you would like tea afterwards, please contact G4CUE as soon as possible.

The dates for the remaining CARS events have been decided, they are as follows:

May	28th
June	25th
July	16th
August	13th

Further events will be organised if demand is sufficient. All these events start at Galleywood Common, behind the church, at 2pm unless notice is given in the newsletter.

1296MHz Group

Remarkable progress has been made in the month since the first meeting; designs have been produced for a three-cavity, bandpass filter and a reflectometer. Work is well under way concerning a converter giving high performance with inexpensive components. The next get-together will be on Friday 14th April at the General's Arms, The Ridge, Little Baddow beginning at 8pm in the Saloon Bar. Everyone is welcome. (even non-members!)

Alexandra Palace Trip - May 6th

Don't forget to let Les have your £1 deposit to reserve your seat on the coach.
