NEWSLETTER NO.153

OCTOBER, 1978

Next Meeting

The October meeting is traditionally the Annual General Meeting and Grand Junk Sale; 1978 is no exception. The AGM will take the form of reports from the various officers and election of a new committee. The level of the subscription for 1978/79 will also be decided.

The present committee is composed of the following members:-

| | | |
|--------------|-------|-------------------|
| Les Turner | G4CUT | Chairman |
| Dick Brocks | G3WHR | Secretary |
| John Bowen | G8DET | Treasurer |

Retirements

We are sorry to hear that Les, who has shouldered the responsibilities of chairman for the last two years, would like to retire from this position but is prepared to stand as an ordinary committee member.

Keith Fisher, G3WSN has left the area for the sun-drenched beaches of Dorset and will, therefore, not be able to continue.

David Barber, G8OQW has expressed a wish to retire from the committee because of other commitments.

Roy Martyr, as president, would like to thank all the above members for their work during the year.

Roy and his two vice-presidents Tony Dix, G5IX and Bernard Reichmann, G6RM are ex-officio members of the committee and are willing to continue as executives of the society.

Nominations

Members should make their proposals known to the President in the run-up period to the AGM. One nomination has been received for John Greenwood, G3KRZ to be our chairman, John has agreed to stand for election.

Following the formal business of the AGM there will be a Grand Junk Sale run by that well-known local auctioneer and wit, Roy Martyr. The sale has several rules:-

1. All items must be labelled with name of vendor and reserve price if any. Unlabelled items will be considered to have been donated to the club and will be sold.
2. All items must be taken away from the College premises by either buyer or seller at the end of the evening.
3. The club will take a 10% commission on items sold.

A rough description of the equipment to be sold may help to improve the price obtained (and the profits to the club!).
