

### Next Meeting

By tradition, the January meeting takes the form of a film show; 1979 is no exception. There are three films from the Post Office film library with the following titles:

1. "The Catch that Nobody wants"
2. "No Ordinary Cargo"
3. "In Touch"

The first two are concerned with the laying and repair of undersea telephone cables, where as the third is about the Post Office Highlands and Islands scheme which aims to provide automatic telephone service to the remote parts of Scotland.

The meeting will take place on Tuesday 2nd January, 1979 at Marconi College, Arbour Lane, Chelmsford commencing at 7:30pm.

Please note that for the second month running the star prize in the raffle will be the latest edition of the RSGB Call Book, value £2.52!

### Committee Meeting

Wednesday 10th January, Wheatsheaf, 7:30pm.

### Field Day

At the exploratory meeting on December 8th the club's resources were reviewed and it was decided to enter H.F. N.F.D. in 1979. We hope to use the site at Hylands Park but this is subject to the agreement of the council. Anyone who is any good at morse should contact the chairman so that we can field the strongest possible team.

There will be a further meeting to make better plans on 24th January, 1979 at John Greenwood's QTH, please try to attend.

### Radio Society of Great Britain

1979 is a very important year for amateur radio because of the World Administrative Radio Conference (WARC 79). It is quite possible that we could lose a large number, if not all, of our frequency bands. The RSGB represents U.K. amateurs in international dealings of this sort and has already done a huge amount of work, via the IARU, towards WARC 79. There is still much work to be done and the RSGB needs all the support it can get. So, please do every thing possible to help; join if you're not already a member or buy more RSGB publications. You could even send a donation! Incidentally RSGB books are available from the editorial office at 88, Broomfield Road (members discounts are available).

MERRY CHRISTMAS TO ALL AND A HAPPY NEW YEAR
