

CHELMSFORD AMATEUR RADIO SOCIETY.
NEWSLETTER NO.170.

March 1980.

Next Meeting.

The March meeting will be a bit unusual in that there will be four well-known speakers. Their names, call signs and topics are as follows :-

John Greenwood,	G3KRZ	Vhf antennas.
Dick May,	G3KTF	160 metres.
Roy Martyr,	G3PMX	An hf Linear.
John Bowen,	G8DET	His station.

The evening is an experiment for the club so please come along and make it a success. The informal nature of the thing and the local speakers should make it very enjoyable.

The meeting will take place at Marconi College, Arbour Lane, Chelmsford on Tuesday March 4th, beginning at 7.30 p.m.

Committee Meeting.

Wednesday March 12th, Wheatsheaf, 7.30 p.m.

HF NFD.

As yet we have no suitable site for this year's event, if you know of a grassy field preferably with trees, away from habitation please let John, G3KRZ know. His phone number is Chelmsford 421223. If a site is found soon there will be an NFD meeting in mid-March. If not, there won't.

Direction Finding.

Andrew has taken on the task of selecting the dates for the local DF events; they are as follows :-

April	12th
May	18th
June	22nd
July	20th
Aug.	24th
Sept.	21st.

The start will be at Galleywood Common behind the Church at 2.00 p.m. unless detailed later in the newsletters. Andrew also has details of the National events. Local events are also run on Friday evenings by the Colchester Club, details from Ian Butson G4HKC.

Farewell.

This is the last newsletter I shall be editing because of my move to Berkshire. In future, Andrew will be doing the job in addition to his secretary's duties. I should like to thank everyone who has made the job a pleasure, particularly Roy and Ela (Ela's home made cakes are a little-known perk of the newsletter editor's job !)

Fortunately, our hobby is one which makes it easy to keep in touch with one's friends so until we meet again on the air,

73,

Bill.
