## December Meeting: Xmas Social

The December meeting was the CARS Xmas Social. This featured great refreshments, a seasonal quiz and a special prize raffle.

Special Invites had been sent out to other Essex Clubs, so it was good to see a few extra faces who had travelled over.

After lots of chat and nibbles, John M0JOC ran the seasonal quiz. Finally, the nice raffle prizes that were in aid of charity were drawn and rounded off an enjoyable occasion.

Make a note of the next one – Tuesday 2-Dec-2025

## **CARS Online Morse Classes**

Andy Kersey G0IBN continues to offer CW training online and on air for all levels of ability.

This is on Thursday evenings, around 19:30 - skype classes for the beginner can be arranged.

Morse code has the great advantage over other modes that it can convey a message across the world with little power and at little cost. Morse code messages can get through heavy interference - unlike voice which can become unintelligible.

If you are interested in learning CW please contact Andy, G0IBN, via: [morse2025@g0mwt.org.uk](mailto:morse2025@g0mwt.org.uk)

## 2025 Canvey Rally Cancelled

In a sudden announcement, the 38<sup>th</sup> Canvey Rally that was set for Sunday 2<sup>nd</sup> February 2025 at Cornelius Vermuyden School has been cancelled. Organisers SEARS say:

*Unfortunately due to circumstances beyond our control the upcoming Rally 2<sup>nd</sup> February 2025 has had to be cancelled.*

*We know how disappointed people will be but unfortunately the venue is unavailable and as we have been informed so late in the day finding a replacement venue at such short notice is just not practical.*

*We will be endeavouring to find a new home and as soon as we are able we will hopefully bring you news of the 38th SEARS Rally.*
